Dear Potential Meadow Farm Resident,

We offer you this application form as a way for you to share with the Leadership Circle (AKA Board of Directors) and the permanent residents (2) of Meadow Farm CLT your values and philosophies toward creating a life in this community.

This step is one of a few that helps us to all learn more about each other and to create a deeper understanding of what it means to live and practice the Vision and Mission of Meadow Farm Community.

At some point, as we move through the interview process, you will have an opportunity to learn about the values and philosophies of the current residents. We are willing to transparently share the issues, our farm finances, current happenings and future plans.

Meadow Farm CLT was founded at the end of 2013. We are still in the foundational stages. We welcome creativity, enthusiasm and shared leadership participation as we work together to live in harmony and contribute in positive ways to our farm and coastal community.

Gratefully yours,

Sojourna Lee, Ret RN, Gardener, Farm Go-fer
Secretary of the Leadership Circle
